

## Monday – Families with Hope

Read Genesis 12:1-8 together.

Plan your next move!

- Where will you live?
- Who will live with you?
- What will you bring with you?

Fill the moving van below with pictures or words of what you will take. You can only include what fits in the van! What comes with you, and what will be left behind ... and why?

*God, bless our family.*

*Help us to love each other and move forward with hope.*

*In Jesus' name, Amen*
